Custom Designed Hanging Baskets and Container Inserts for May & June

Custom planted hanging baskets or container inserts for any size or shape pot. Beautiful combinations of tropical plants for height, annuals for color and perennials for texture and durability. Two week lead time when potted up from 4" and 6" plants.

Money in your pocket! June is when your landscape customers are going to ask for some color in their yard. Let Flora help you out. We can supply hanging baskets, containers, and large size bedding plants that will satisfy your customers.
